

2010 Drop-In Policies:

Pelangi Drop-In Policies have been created to benefit temporary visitors to Bali who are seeking a short-term solution for their children's education & care.

- The focus of Drop-In is for the younger children: TK & Playgroup.
- For the older grades, drop-in can be distracting for the regular students and an extra burden on the teachers. Therefore, SD students are allowed to drop-in for a maximum of 1 month & the final decision to extend is left to discretion of the acting Administrator, after consultation with the teachers and parents of the student.
- **If a child attends drop-in for one month and then decides to enroll full time in Pelangi, the cost of the drop-in can be applied towards the student's full tuition & fees for the year.**
- Registration for Drop-In students must occur 48 hrs before a child can start classes, unless otherwise agreed to by the acting Administrator.
- **All Drop-In students are required to buy one Pelangi t-shirt if staying for more than one week, this gives a greater sense of unity for the children in the classroom.**
- **Children must come to school prepared with snacks and lunch (lunch can also be ordered if paid for in advance). Due to allergies, NO PEANUTS are allowed at pelangi.**
- **Registration and daily drop in fees must be paid in advance. Child will not be permitted in school unless fees are paid in advance.**
- There will be no refunds given for drop-in tuition.
