DROP-IN POLICIES

Pelangi Drop-In Policies have been created to benefit temporary visitors to Bali who are seeking a short-term solution for their children's education & care.

- The focus of Drop-In is for the younger children: TT & Playgroup.
- For the older grades, drop-in can be distracting for the regular students and an extra burden on the classroom teachers. For this reason, TK and SD Drop in students are accepted subject to approval from teachers and the Pelangi School director.
- The maximum period for Drop in students at all class levels is one month or 20 school days.
- If a child attends drop-in for one month and then decides to enroll full time at Pelangi School, the cost of the drop-in can be applied towards the student's full tuition & fees for the year.
- Registration for Drop-In students must occur 48 hours before a child can start classes, unless otherwise agreed to by the Director.
- All Drop-In students are required to buy one Pelangi t-shirt if staying for more than one week, as this gives a greater sense of unity for the children in the classroom.
- Children must come to school prepared with snacks and lunch (snacks and lunch can also be ordered at Warung Bambu if paid for in advance). Due to allergies, NO PEANUTS are allowed at Pelangi School.
- Registration and daily drop in fees must be paid in advance. Children will not be permitted in school unless fees are paid in advance.
- There will be no refunds given for drop-in tuition.
- If a child attends drop-in for one month and then decides to enroll full time in Pelangi, the cost of the drop-in can be applied towards the student's full tuition & fees for the year.

CODE OF CONDUCT FOR PARENTS, CARERS & VISITORS

We believe that Pelangi School staff and children are entitled to a caring and safe environment in which to work; behaviour that will cause harm, upset or distress to the users of the premises is contrary to the aims and ethos of the school.

The purpose of this agreement is to show the expected code of conduct within Pelangi School so that we can work together and ensure a safe and positive environment for the children, staff, parents, carers and visitors.

Parents, guardians, carers and visitors are expected to show respect and concern for others by:

- supporting the ethos of the school by setting a good example in their own speech and behavior towards all members of the school community
- working together with the teachers and staff for the benefit of the children. This includes approaching the school to resolve any issues of concern and to discuss and clarify specific events in order to bring about a positive solution
- driving and parking with consideration and respect for others when dropping off and collecting children from school. Cars must be reversed into parking spaces & motorbikes parked in the dedicated area. The one-way system must be observed at all times
- refraining from smoking, consuming alcohol or being inebriated on school property.

In order to support our safe school environment, Pelangi School does not tolerate:

- disruptive behavior which interferes with the operation of a classroom, office or any other part of the school property
- using offensive language, a raised voice in anger or a display of temper
- approaching someone else's child to chastise them
- threatening behaviour or the use of physical aggression or punishment towards another adult or child
- damaging or destroying school property
- verbal (slanderous) or written (libellous) statements that cause, or are likely to cause, harm to the reputation of Pelangi School, staff or Yayasan/Advisory Board members.

The use of technology or social media websites is an unacceptable platform to resolve any situation that might arise and is not in the best interest of the children or the school community. Any concerns will be dealt with fairly, appropriately and effectively, but must be made through the proper channels by speaking to the Class Teacher or Director, who can inform Advisory Board, if necessary.

Pelangi School therefore, does not tolerate any abusive, threatening, malicious, libelous or defamatory comments within emails, phone or social network messages.

In the event that any Pelangi School parent, guardian or carer does not uphold this Code of Conduct Agreement, the Director and the Advisory Board will be notified. The offending adult may be banned from entering school grounds or the offenders child(ren) excluded from Pelangi School to safeguard our school community.

We, the undersigned parents/guardians of:

Hereby agree to abide by the Pelangi School Code of Conduct Agreement.

This agreement remains in effect for the entire duration of the period my / our child is enrolled at Pelangi School. When applicable, please have two parents sign.
