## **TUITION PAYMENT POLICY**

---

### **Discounts**

- Families enrolling more than one child at the school, and paying full tuition (not on scholarship), are eligible for a 15% discount on Tuition only for any additional siblings. Discounts are for Tuition only & DO NOT apply to Enrollment or Facilities & Resources or Curriculum Fees. Discounts apply to the tuition of the youngest sibling(s).
- 30% discount on Tuition fees is offered to all students with both parents holding Indonesian passports.
- FULL year payment for all tuitions and fees are eligible for a 5% discount off TUITION FEES ONLY if paid in full by 20<sup>th</sup> May 2016.
- PLEASE NOTE: Fees will not be prorated if a student begins after the start of the Quarter or if the student needs to leave earlier. Full Quarter fees will apply. Facilities and Resources and Curriculum fees are annual fees

### **Late Payment**

- If fees are not paid on time, a levy of Rp. 250, 000 per student will be assessed every week up to one month. **If payment is still outstanding, the student(s) will be asked to stay home from school until the tuition is paid.**

### **Refund Policy**

Enrollment, Facilities & Resources, Tuition and Curriculum Fees are **non-refundable** under any circumstances.

This also applies to deposits made in order to secure places in classes for the following academic year.

### **Uniform Policy**

**It is required by the Indonesian Department that students wear uniforms.** There is a chance that the school can be reprimanded by the government if students are found not to be in uniform, so the school policy is that students must wear their uniforms to school daily.

### **Tuition Increase**

The tuition quoted in the registration documents is applicable for the 2016-2017 school year only.

Tuition is not guaranteed to stay at this level, and in fact is likely to rise slightly in future years.

We, at Pelangi School, will make every effort to keep costs low, but families should be prepared for possible annual tuition increases as we will need to account for the national inflation rate in covering the school's operational costs each year.
