Uniform Policy

It is required by the Indonesian Department that students wear uniforms. There is a chance that the school can be reprimanded by the government if students are found not to be in uniform, so the school policy is that students must wear their uniforms to school daily. Uniforms can be purchased at the school office.

- If a student arrives without their uniform, the parents will be contacted and given the opportunity to bring a t-shirt in for their child. If they are unable to, a new t-shirt will be given to the student, and the parents will be sent an invoice, payable immediately.

Tuition Increase

The tuition quoted in the registration documents is applicable for the 2018-2019 school year only. Tuition is not guaranteed to stay at this level, and in fact is likely to rise slightly in future years. We, at Pelangi School, will make every effort to keep costs low, but families should be prepared for possible annual tuition increases as we will need to account for covering the school's operational costs each year.

Method of Payment

Payments are to be made by bank transfer or direct deposit to account.

You will be sent an invoice once your child's application has been processed and accepted. If your application is approved after the advertised payment schedule dates, the payment will be due within 7 days of the acceptance meeting and/or invoice being sent.
